Established in 2012, Allsea Boats is a modern enterprise integrating R&D, production, sales and service, which is the leader of high-end aluminum fishing boat manufacturer in China. The company covers a total area of 12,000 square meters, including 11,000 square meters of standardized workshops and 1,000 square meters of office buildings.

The core team members have over 9-years experiences in the production and R&D of aluminum boats. We obtained 10 patents, 2 software copyrights. Our products are CE certified and exported to the world. Allsea boats is becoming one of the most famous boat manufacturer.

Allsea Boats All Deserves

HIGH SAFETY UNSINKABLE

Easycraft is a featured serie of Allsea boats.

Deep V hull and pontoon hull make it stable and with high speed performance.

Harder- edged outline and well-equipped setting make it become the most hot sale series by fisherman.

Open the following pages,
you will get the boat you want!

Key Features:

1. Safe and Durable:
 - Reserved buoyancy of pontoon in both sides of hull
 - Precision welding
 - Strict leakage test
 - Deep V hull brings great driving performance
2. Fishing Equipment:
 - More than 10 rod holders installed
 - Live bait tank and cutting board
3. All Easycrafts are CE certified.
4. Multi- function: Can be customized with living equipment for cruising.

LIFE OF ADVENTURE

ALL THE SPECS AND FIGURES TO GET YOU OUT THERE

- Extremely strong and durable
- Stable at rest
- Safe on rough sea
- Fully-welded checker plate deck or EVA floor, choose what you like
- Enjoy the sunshine and large deck space

Happy fishing time

Explore your big blue backyard in an Easycraft600 model – an outstanding option for those who are looking for a highly capable, quality built alloy boat in 6m size. With class-leading performance combined with easy handling, towing and a small storage footprint, the 600 is a great first boat for those who are looking for small size sport fishing boat.

EASYCRAFT -
750 WALKAROUND / 750 FULL CABIN

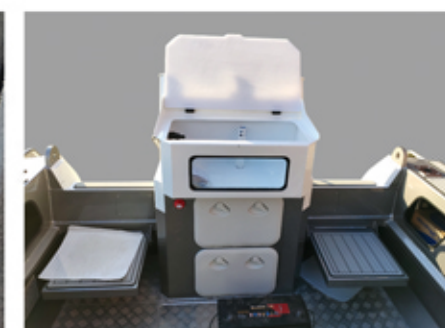

360° WALKAROUND FISHABILITY

Easycraft 750 walkaround models follow requests from customers for a more manageable, affordable and easier-to-tow centrecab boat with the full 360 degree walkaround fishability.
